"Tween girls are drawn to talented performers who emanate the joy of life, and we are so happy to have teen favorite Debby Ryan as the first host of The Tween Summit Music Festival," states Denise Restauri, founder of The Tween Summit, AllyKatzz.com, and AK Tweens. "The Tween Summit is a day of celebrating the excitement of youth and hope for the future. As my tween friends say, 'This concert is going to Rock!'"

The daylong Summit, presented by AK Tweens and AllyKatzz.com, is a one-of-a-kind event welcoming 300 tween girls, ages 9-14, from across the U.S. The Tween Summit will examine the minds, motivation, and lives of these passionate, vocal girls, giving them a platform to voice their thoughts in the Nation's Capital. Through this unique opportunity, tween girls will be heard by attending policy makers, tween experts, celebrities, marketers, media, and parents. The day culminates in the creation of an "I Pledge" video, with the girls committing to positive change and community service.
